

HHAG NEWSLETTER NUMBER 12 (14TH OCTOBER 2009)

Hello Everyone,

Welcome back to those who have been on holiday and couldn't make the barbecue. We had a great time and raised just over £3,600 for our cause!!

Also, we have had no huge solicitors' bills lately, so for the first time since we started this, we seem to be financially "in the black".

Thanks to all of those who volunteered to help at the barbecue, the people who came and those who couldn't make the date but sent donations.

As you may have gathered, not too much has been happening over the past month or so.

One positive thing is that the council came down hard on some unauthorised development on the site. You can see the WDC announcement on their web site (Update 10):

<http://www.wycombe.gov.uk/sitePages.asp?step=4&contentID=7617&categoryID=3618>

This shows that the council will not allow any "development creep" and is keeping a watching brief on the site.

You will also see on Update 9 that the council have received a further planning application from the travellers' planners. Apparently, the travellers have now amended the ownership information with the Land Registry (although I'm not sure what personal address they have used!) to show three people as the new owners. Barry and Bob, the guys who sold the land, had until 8th October to comment and the council said they will reach a decision on the new application as soon as possible after that date.

That's why I held off doing another newsletter, to see if we had any news on the council decision within the last few days. As we've heard nothing yet, I thought I'd better write to you all to let you know that we are still here and still watching and waiting.

The next two issues that we await information on are:

- As above, WDC's response to the second planning application
- The Travellers have until 28th October to lodge an appeal against the enforcement notice.

As soon as I have any news on these or any other matters, I'll immediately let you know.

That's all for now. Thanks for being there! Kind regards,

BOB STREET, HHAG
