

HHAG NEWSLETTER NUMBER 5 (3RD JUNE 2009)

The Little House on the Prairie – well, on the corner actually!

Hello Everyone,

SOME VERY WELCOME NEWS!!

Yesterday afternoon Maria Whyte from WDC went on site and – whatever she said – as a result, the “bungalow” was moved out at 7.30 last night. It now stands proudly on the corner of Upper Icknield Way and the A4010, if any of you want to go sightseeing!

Apparently, it will be moved by low-loader later today (Wednesday). An unlawful caravan was also moved from the site.

So, I think we should give a cautious thank you to Maria and WDC. Let's hope this is the first sign of this matter being taken seriously.

Please give yourselves a round of applause!! I'm sure many of you were on the phone badgering your local councillors and WDC to take some action on this matter. We in the main group were certainly doing that too. So, between us we seem to have managed a first small success.

STOP PRESS: The bungalow was moved from the corner at 10.45 this morning and “a well-wisher” from Weston Turville tells us that it was just delivered to the travellers' site there. *(Sorry for the local people in Weston Turville!!)*

WHO ARE “YOU”?

I send this newsletter out using “BCC” on my computer, so that your personal email address is kept private. You may be wondering how small a group you are? Well, there are now over sixty local people signed up to this newsletter! And the number is growing by the week! Including more than twenty of us in the main group, that means we are now more than eighty local concerned citizens. No mean feat in this era of “not getting involved”.

MORE GOOD NEWS

Thanks to those of you who have put in objections to the retrospective planning application. The number of objections, as of last night, was 329! More objections are still coming in, so let's hope we can get the number past 400 by close of play tomorrow!!

THIS WEEK'S JOKE

One of the group went up to the site last night to see what was going on, when the bungalow was being moved. She reports that there are now three women calling themselves Eileen Cash on the site!! What are the chances of that happening?!?!

Once more, a big thank you to all of you for your support. The next big hurdle will be the planning application. I believe WDC have until August to make a decision. But we all hope that, as this is a "matter of public interest" they will get around to giving us their decision before that. Keep your fingers crossed!

We'll be in touch with more news, as soon as we have it.

Thanks for your help!

A handwritten signature in blue ink that reads "Bob". The signature is stylized with a large, looping 'B' and a horizontal line underneath.
